DR. LAYTON AESTHETIC & PLASTIC SURGERY

**Houston Plastic Surgery & Hill
Country Plastic Surgery Locations**

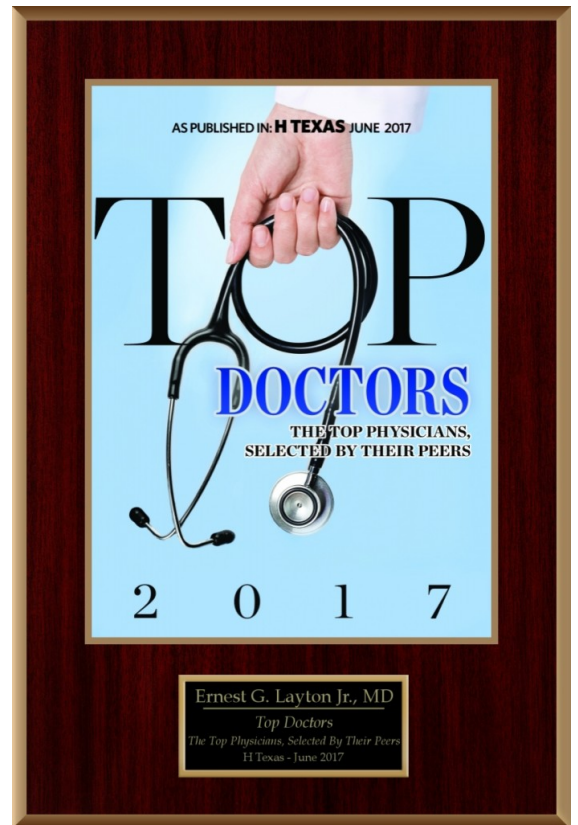

Dr. Layton is a well-respected, admired and sought after board certified **plastic surgeon in Houston** and the beautiful Texas Hill Country. Dr. Layton's popularity and incredible surgical results and innovations have caused patients to seek his expertise from all over the world. His easy going personality and attention to detail with his artistic eye make him a favorite in his field. It is the experience of over 20 years that allows Dr. Layton to truly understand the possibilities and limitations in each individual. Dr. Layton has developed, re-defined and perfected the procedures he performs to achieve the excellent results his patients expect. By inventing and perfecting each procedure he performs, the operative time decreases, the complications are minimized and patient safety is dramatically improved. Dr. Layton has been recognized by many publications and has received many awards, including America's Top Surgeons, Top Doctors (as chosen by peers and readers) and Houston Top Plastic Surgeons.

Awarded to top 10% of RealSelf Board Certified Plastic surgeons for their expertise, ratings and patient education

Dr. Layton understands that each patient is unique so their goals and expectations must be thoroughly discussed, which is why during each consultation Dr. Layton spends the time necessary to truly understand the patient's goals and expectations. During each consultation, Dr. Layton makes sure each patient is well informed regarding every detail of their planned procedure. Before each procedure, Dr. Layton mentally

performs the operation several times so that it is perfected in his mind before the surgery begins.

Knowing that your procedure has been thought about and that your physician has actually done your procedure several times both mentally and physically before he steps into the operating room should give you confidence that you are in the best available care. Each patient can be confident that Dr. Layton will treat you as he would his wife, daughter, mom or family. From initial consult to final result, his fun personality make patients comfortable, confident and secure.

Dr. Layton is board certified by the American Board of Plastic Surgery. He is a member of the American Society of Plastic Surgeons, and a member of the American Society of Aesthetic Plastic Surgeons. He also retains membership in local and state medical societies and has privileges at several hospitals and surgery centers. Dr. Layton is a graduate of A&M University and A&M University College of Medicine. An internship and 3 years of general surgery residency at the University of Texas Houston Medical Center was followed by a micro-surgery fellowship. He completed his medical training with a plastic surgery residency at the University of Texas in the Houston, Texas Medical Center.
